THEORY AND PRACTICAL LEARNING FOR

- **Listening** - In the IELTS listening module, students will engage in exercises focusing on comprehension of spoken English, including dialogues and monologues across various topics. Skills such as identifying main ideas, understanding details, and following instructions will be emphasized.
- **Reading** - In the IELTS reading module, participants will tackle passages covering a range of topics, from academic to everyday contexts, assessing comprehension skills such as identifying main ideas, understanding details, and grasping the writer opinions or attitudes.
- **Writing** - In the IELTS writing module, learners will practice crafting coherent essays and reports, addressing both Task 1 (data interpretation or description) and Task 2 (essay writing) prompts. Emphasis will be placed on structuring responses effectively, developing arguments logically, and showcasing a wide range of vocabulary and grammatical structures.
- **Speaking** - In the IELTS speaking module, students will engage in face-to-face conversations with a trained examiner, discussing a variety of familiar topics such as hobbies, family, and daily routines. They also present and justify opinions on abstract issues, demonstrate fluency, coherence, and accuracy in English communication.
