- Forms & Spaces
- Organization Of Spaces
- Anthropometry
- Room Planning

## MATERIALS & ITS APPLICATION

- Metals
- Fixtures & Finishes
- Wallpaper
- Artificial Material
- Sanitation & Plumbing Materials
- PVC
- Curtains
- Concrete

## INTERIOR DESIGN - 2 BHK

- Anthropometrics
- Client Profile
- Mood Board & Material Board
- Planning
- Dimensions
- Flooring Layout
- Elevations & Sections

## FURNITURE DESIGN

- Wooden Chair
- Wooden Table
- Single Seater Sofa
- TV Unit
- Wardrobe
- Bed
- Kitchen Planning

## AUTOCAD

- Advanced Line Options

- Advance In Editing
- Patterns In Drawing
- Layers
- Introduction To Multileader
- Introduction To Text
- Introduction To Blocks
- Introduction To Dimensions

## GOOGLE SKETCHUP

- Drawing Toolbar
- Sandbox Toolbar
- Default Tray
- Import Export
- Warehouse
- Extra Tools
- Introduction To Vray
- Vray Tools

## INTERIOR CONSTRUCTION TECHNIQUES I

- Types Of Structure
- Drafting
- Stone Masonary

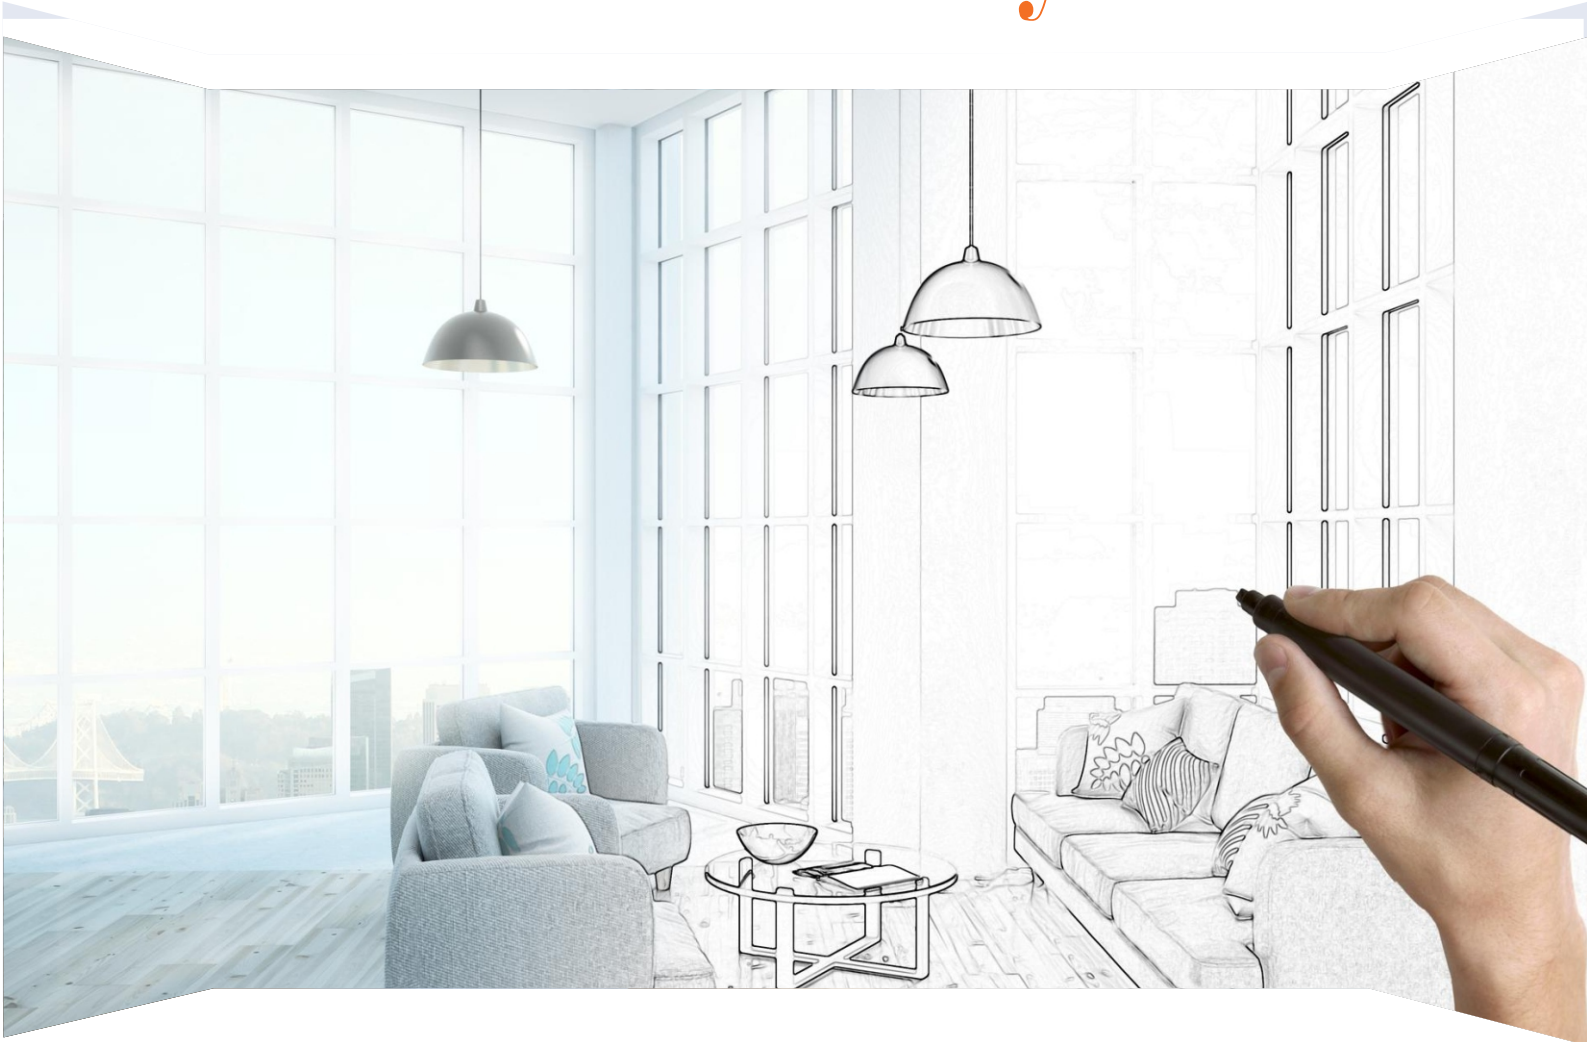

- Brick Masonary
- Lintel
- Arches
- Door & Window
- Roofs & Roof Coverings

## ESTIMATION & COSTING

- Units & Modes Of Measurement
- Units Of Measurement For The Item Of Works
- Bill Quantities
- Estimation & Types Of Estimation
- Estimation Example On Abstract Sheet

# Interior Design Second Year Syllabus

## RESIDENTIAL INTERIOR SPACE DESIGN

- The design Rule
- Case Study
- Anthropometrics
- Client Profile & Concepts
- Furniture Planning
- False Ceiling

## INTERIOR SPACE PLANNING (COMMERCIAL)

- Introduction Of Project
- Data Collection
- Electrical Layout
- 3D Views
- Flooring Layout
- False Ceiling Layout

## 3DS MAX

- Introduction To 3D Max
- Extended Primitive
- Parameters Modifier
- Concept Of 2D Shapes

- Using Editable Spline
- Editable Patch & Editable Nurms

## INTERIOR CONSTRUCTION II

- Introduction
- Types of Material Staircase
- Classification Of Staircase
- Drafting
- Flooring
- Drafting
- False Ceiling
- Drafting

## PROFESSIONAL PRACTICE

- Need For An Interior Designer
- Roll Of Interior Designer
- Scope Of The Profession
- Code Of Conduct
- Project Execution & Sequence Of Work Schedule
- Method Of Checking Site
- Professional Fees & Business Acumen
- Arbitration

## SERVICES II

- Plumbing & Drainage System
- Fire Protection
- Sound
- Hvac
- Security System
- Electrification
- Solar System
- Landscaping

# Interior Design Third Year Syllabus

## INTERIOR SPACE PLANNING II ( RESTAURANT / BAR)

- The design Rule
- Case Study
- Anthropometrics
- Client Profile & Concepts
- Space Planning , Block,Bubble Diagram,Pie Chart
- Mood Board & Material Board
- Furniture Planning
- False Ceiling
- Electrical Layout
- AutoCAD
- 3D Views
- Furniture Details

## SPECIALITY INTERIOR DESIGN III (RETAIL)

- Introduction to what is retail design
- Design Considerations For Different Retail Stores

- Briefing About Elements Of Store Design
- Introduction Presentation Of Merchandise
- Importance Of Exterior Design In Retail
- Importance Of Interior Design In Retail
- Introduction To Different Store Layouts
- Introduction To Types Of Fixtures & Display Used
- Types Of Lightening Used In Retail Design
- What Is Visual Merchandising?
- Case Study - I For Merchandise Store
- Case Study - II For Planet Sports Store.
- Case Study - III For Food Bazar Store
- Design Problem To Be Introduced
- Presentation Of Data & Case Studies

## **ELECTIVE - PRODUCT DESIGN**

- Introduction To Elective Furniture Design
- Specialty Of Furniture Design Elective
- Product Development Process
- Selection Of Inspirations
- Deriving To Final Product
- Final Product Making
- Presentations By Students Of Their Product

## ELECTIVE - SET DESIGN

- Introduction Of Set Design
- Performances
- Limitation & Process
- History
- Design Theory
- Elements & Principles
- Script Reading
- Breakdowns Theory
- Construction
- Practical Aspects
- Story Boarding
- Lightening & Other Services
- Estimation
- Concept Development
- Location Planning
- Constructional Detailing
- Material Board
- Model Making

# LANDSCAPE DESIGN

- Basics Of Landscape Design
- Principles Of Landscape Design
- Elements Of Landscape Design
- Conceptual Variations In Landscape Design
- Aesthetic Aspects In Landscape Design
- Types Of Plants For Landscape Design
- Need Of Landscaping
- Role Of Lightening In Landscape Design
- Rooms Throughout The Landscape
- Landscape Accessories
- Landscaping Stones
- Innovative Landscaping
- Aspects Of Landscape Design
- Cost Effective Landscaping
- Limitations & Opportunities In Landscape Design
- Design Process
- Case Study
- Layout
- Elevations
- 3d Views

## ENVIRONMENTAL STUDIES

- Introduction Of Subject
- Importance Of Subject
- Relative Study Of Earth
- Thermal Comfort & Passive Design
- Energy Efficiency In Interior Design
- Making Furniture Model From Upcycling

## DISSERTATION ( THESIS PROJECT)

- Introduction Of Project
- The Dissertation Is The Outline
- Dissertation Supervision
- Writing The Dissertation
- Case Study
- Location Of Map Of Project
- Submission Deadline
- Presentations & Arrangements

## INTERIOR CONSTRUCTION III

- Modular Furniture
- Types Of Materials
- Method Of Installation
- Knockdown Furniture
- Drafting
- Foldable Furniture
- Installation
- Drafting
- Kitchen Furniture
- Drafting
